NOTES:

1 Explanatory Statement pursuant to Section 102 (1) of the Companies Act, 2013 ("Act") setting out the relevant details of the Director as mentioned under item no. 2 above as required under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") and as required under the Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India are annexed hereto.

2 Sending of notice and conduct of Annual General Meeting

- a. Pursuant to the General Circular No. 09/2024 dated September 19, 2024, issued by the Ministry of Corporate Affairs (MCA) and circular issued by SEBI vide circular no. SEBI/ HO/ CFD/ CFDPoD-2/ P/ CIR/ 2024/ 133 dated October 3, 2024 ("SEBI Circular") (hereinafter collectively referred to as the "Circulars") and other applicable circulars and notifications issued and as amended from time to time, companies are allowed to hold AGM through Video Conferencing (VC) or other audio visual means (OAVM), without the physical presence of members at a common venue. In compliance with the said Circulars, AGM shall be conducted through VC / OAVM. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting. The deemed venue for the AGM shall be One Lodha Place, near Lodha World Towers, Senapati Bapat Marg, Mumbai - 400 013, India.
- b. In accordance with the aforesaid Circulars, the Notice of the AGM for the financial year 2024-25 is being sent by electronic mode to those members, whose names appear in the Register of Members as on Friday, August 22, 2025 on the e-mail addresses registered with the Company/National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL"), collectively referred as "Depositories" through the concerned Depository Participants ("DPs") and in respect of physical holdings with the Company's Registrar and Share Transfer Agent i.e., CIL Securities Limited, ("CIL Securities / RTA"). Physical copy of the Report shall be sent only to those members who request for the same. Members may also note that the Notice of the AGM and the Annual Report 2024-25 will also be available on the Company's website at www.sanathnagar.in, website of BSE Limited at www.bseindia.com and on the website of NSDL at <https://evoting.nsdl.com>.

Additionally, in accordance with Regulation 36 of the Listing Regulations, a letter containing the web-link, including the exact path of Company's website, where the Integrated Report is available, will be available, will be sent to those shareholders who have not registered their e-mail addresses with the Company / RTA / Depositories / DPs.

- c. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- d. Members of the Company under the category of institutional shareholders are encouraged to attend and participate in the AGM through VC/OVAM and vote.
- e. Institutional shareholders/corporate shareholders (i.e., other than individuals, HUFs, NRIs, etc.) are required to send a scanned copy (PDF/JPG Format) of their respective Board or governing body resolution/authorization etc., authorizing their representative to attend the AGM through VC/OAVM on their behalf and to vote through remote e-voting. The said resolution/authorization shall be sent to the Scrutinizer by e-mail on his registered e-mail address cs.shravangupta@gmail.com with a copy marked to <https://evoting.nsdl.com>. Institutional shareholders (i.e., other than individuals, HUFs, NRIs etc.) can also upload their Board resolution/Power of Attorney/authority letter, etc. by clicking on "Upload Board Resolution/Authority Letter" displayed under "e-Voting" tab in their login.

- f. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act. Only, registered Members of the Company may attend and vote at the AGM through VC / OAVM facility.

In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.

- g. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his behalf and the proxy need not be a member of the Company. Since this AGM is being held through VC/OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for this AGM and hence the proxy form, attendance slip and route map of the AGM are not annexed to this notice.

1. Inspection of documents:

- a. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which directors are interested maintained under Section 189 of the Act and the relevant documents referred to in the Notice will be available electronically for inspection by the members before and during the AGM.
- b. All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to investors.sel@lodhagroup.com.

2. Update of email ID and Bank Details:

- (i) In terms of Rule 18 of the Companies (Management and Administration) Rules, 2014, the Company may give notice through electronic mode addressed to the person entitled to receive such e-mail as per the records of the Company or as provided by the depository, provided that the Company shall provide an advance opportunity at least once in a financial year, to the member to register his e-mail address and changes therein and such request may be made by only those members who have not got their email ID recorded or to update a fresh email ID and not from the members whose e-mail IDs are already registered.

In view of the above, the Company hereby requests the members who have not updated their email IDs to update the same. Further, the members holding shares in electronic mode are requested to keep their email addresses updated with the DPs. Members holding shares in the physical mode are also requested to update their email addresses by writing and quoting their folio numbers to RTA by email to rt@cilsecurities.com or by letter addressed to CIL Securities Limited, 214, Raghava Ratna Towers, Chirag Ali Lane, Abids, Hyderabad, Telangana, 500 001 or to the Company by email to investors.sel@lodhagroup.com or by letter addressed to the Company Secretary at 412, 17G, Floor 4, Vardhaman chamber, Cawasji Patel Road, Horniman Circle, Fort, Mumbai, Maharashtra , 400001, quoting their folio numbers.

- (ii) Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details, National Electronic Clearing Service (NECS) and Electronic Clearing Service (ECS) mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their DP. Changes intimated to the DP will then be automatically reflected in the Company's record which will help the Company and the Company's RTA to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes either to the Company or to the RTA.

3. Members may avail the facility of nomination in respect of shares held by them by submitting Form SH-13 to the DPs in case of shares held in electronic form and to the RTA in case of shares held in physical form. If a member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form ISR-3 or SH- 14 as the case may be. Members holding shares in demat form may approach their respective DPs for completing the nomination formalities.

3. Important SEBI Circulars in the interest of investors/shareholders:

- (i) SEBI vide circular no. SEBI/HO/MIRSD/MIRSD RTAMB/P/CIR/2021/655 dated November 3, 2021 as amended, has mandated registration of PAN, KYC details (i.e., contact details, mobile number, bank account details, signature) and nomination, by holders of physical securities. Further, members who hold shares in physical form and whose folios are not updated with any of the above details, shall be eligible to get dividend only in electronic mode with effect from April 1, 2024.
- (ii) Communication in this regard has been sent to all physical holders whose folios are not KYC compliant at the latest available address/email-id. Members are once again requested to update their KYC details by submitting the Investor Service Request (ISR) Forms, viz. ISR-1, ISR-2, ISR-3/SH-13, as applicable, duly complete and signed by the registered holder(s) to the Company's RTA, on or before Tuesday, September 23, 2025 so that the KYC details can be updated in the folios before the cut-off date i.e., Tuesday, September 23, 2025. ISR Forms can be accessed on the Company's website at www.sanathnagar.in.
- (iii) SEBI vide its notification dated June 8, 2018, amended the Listing Regulations and mandated that the transfer of securities would be carried out in dematerialised form only effective April 1, 2019. Accordingly, requests for effecting transfer of physical securities cannot be processed unless the securities are held in dematerialised form with any DP. Therefore, the RTA and the Company have not been accepting any request for the transfer of shares in physical form w.e.f. April 1, 2019.

Special Window for Re-lodgement of Transfer requests of physical shares of the Company

Pursuant to SEBI Circular No. SEBI/HO/MIRSD/ MIRSD-PoD/P/CIR/2025/97 dated July 02, 2025, a Special Window is being opened for a period of six months from July 07, 2025 to January 06, 2026 to facilitate re-lodgement of transfer requests of physical shares. This facility is available for Transfer deeds lodged prior to April 01, 2019 and which were rejected, returned, or not attended to due to deficiencies in documents/process/ or otherwise.

Investors who have missed the earlier deadline of March 31, 2021 are encouraged to take advantage of this opportunity by furnishing the necessary documents to the Company's RTA.

(iv) SEBI dispute resolution portal (SMART ODR)

SEBI has established a common Online Dispute Resolution Portal ("ODR Portal - <https://smartodr.in/login>") to raise disputes arising in the Indian securities market. Post exhausting the option to resolve their grievances with the RTA/ Company directly and through SCORES platform, investors can initiate dispute resolution through the ODR Portal. Link to access ODR portal is available on Company's website at www.sanathnagar.in.

4. Remote e-voting facilities, Scrutinizer and e-voting results:

- (i) Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of the Listing Regulations and the MCA Circulars, the Company is providing facility of remote e-voting to its members in respect of the business to be transacted at the AGM and facility for those members participating in the AGM to cast vote through e-voting system during the AGM. For this purpose, the Company has engaged the services of National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as e-voting at the AGM will be provided by NSDL.
- (ii) The voting rights of the members shall be in proportion to the number of equity shares held by them as on the cut-off date i.e Tuesday, September 23, 2025.
- (iii) A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date i.e Tuesday, September 23, 2025 only shall be entitled to avail the facility of remote e-voting or e-voting at the AGM. A person who is not a member as on the cut-off date should treat this notice for information purpose only.

Any person, who acquires shares of the Company and becomes a member of the Company after the Company e-mails the Notice of the AGM and holds shares as on the cut-off date i.e Tuesday, September 23, 2025 may obtain the User ID and password by sending a request to the RTA at rt@cilsecurities.com and may follow the steps mentioned in Note below.

- (iv) The remote e-voting period will commence on Saturday, September 27, 2025 at 9:00 am (IST) and will end on Monday, September 29, 2025 at 5:00 pm. (IST). During this remote e-voting period the members, holding shares either in physical form or in dematerialized form, may cast their vote by remote e-voting. The remote e-voting module shall be forthwith blocked by NSDL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently or vote again.
 - (v) The Company has appointed Mr Shravan A. Gupta, (CoP No. 9990), Practicing Company Secretary, as the scrutinizer (the 'Scrutinizer') for scrutizing the remote e-voting process as well as e-voting at the AGM in a fair and transparent manner.
 - (vi) During the AGM, the Chairperson shall, after responding to the questions raised by the Members in advance or as a speaker at the AGM, formally propose to the members participating through VC/OAVM Facility to vote on the resolutions as set out in the Notice of the AGM and announce the start of the casting of vote through the e-Voting system. After the Members participating through VC/OAVM Facility, eligible and interested to cast votes, have cast the votes, the e-Voting will be closed with the formal announcement of closure of the AGM.
 - (vii) The results of the e-voting shall be declared to the Stock Exchange after the conclusion of AGM not later than two working days from the conclusion of the AGM. The results along with the Scrutinizer's Report, shall be available on the website of the Company at www.sanathnagar.in. Subject to the receipt of requisite votes, the resolutions proposed in this Notice shall be deemed to have been passed on the date of the AGM i.e., Tuesday, September 30, 2025.
5. Re-appointment of Ms. Sanjyot Rangnekar (DIN - 07128992):
- i. In terms of Section 152 of the Act, Ms. Sanjyot Rangnekar retires by rotation at this AGM and being eligible, offers herself for re-appointment. The NRC and the Board of Directors of the Company has recommended her re-appointment.
 - ii. The additional information in respect of re-appointment of Ms. Sanjyot Rangnekar as Director, liable to retire by rotation, pursuant to the provisions of Listing Regulations and the Secretarial Standard on General Meetings, is provided as an Annexure 1.
 - iii. Ms. Sanjyot Rangnekar is interested in the Ordinary Business as set out at Item No. 2 of the Notice with respect to her re- appointment. The relatives of Ms. Sanjyot Rangnekar may also be deemed to be interested in the said Resolution to the extent of their shareholding interest, if any, in the Company. Save and except the above, none of the Directors / Key Managerial Personnel of the Company / their Relatives are, in any way, concerned or interested, financially or otherwise, for Item No. 2.
6. The detailed process and manner for remote e-voting are explained herein:

The remote e-voting period begins on Saturday, September 27, 2025 at IST 9:00 am and ends on Monday, September 29, 2025 at IST 5:00 pm. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the cut-off date i.e., Tuesday, September 23, 2025, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being Tuesday, September 23, 2025.

MANAGEMENT DISCUSSION AND ANALYSIS

(a) Industry structure and developments:

Indian Economic Overview

The Indian economy is projected to grow by 6.5% in FY26, which is close to the 6.4% growth seen in FY25 as well as the decadal average, but lower than the 8.2% growth that the economy clocked in FY24. The retail inflation has softened from 5.4% in FY24 to 4.9% in FY25. At the same time, the banking sector remains robust with declining asset impairments, well capitalised balance sheets and strong operational performance.

Despite the challenges, India's strong macroeconomic fundamentals and improvements in external sector indicators have helped it navigate global uncertainties. RBI expects the economy to grow around 6.5% in FY26. The union budget for FY26 has prudently balanced fiscal consolidation with growth objectives. Its emphasis on capital expenditure is complemented by measures aimed at boosting household incomes and consumption. Key indicators like higher tractor sales, rising farm incomes, increased fuel consumption, growth in air passenger traffic suggests recovery in economic momentum.

To accelerate India's growth, the Government must prioritize a return to significant capital expenditure and increased funding for crucial infrastructure projects, while actively driving states to improve their utilization of allocated resources. The Government must continue to invest in addressing skill gaps, particularly in industry-relevant professional skills to ensure a future-ready workforce and a robust pipeline of talent.

Indian real estate industry overview

Despite all the external and internal roadblocks in CY25, including inflation, general elections and geopolitical tensions, India continues to be one of the fastest growing major economies in the world. The Indian real estate sector has shown robust growth since the pandemic. While initial recovery saw a surge in housing sales, commercial leasing has also gained significant traction over the past year. Hospitality sector continues to do exceedingly well with average daily rates at an all-time high. As India moves from being a low-income to a middle-income country, household incomes and spending will continue to rise giving a long runway for growth in the real estate sector. Real estate will continue being a driver of growth and employment and will continue to take larger share of the country's GDP, as is the case in other more developed and advanced economies.

A large and growing population, strong economy, high single digit wage growth and urbanization trends are expected to drive demand for housing in the years to come. There is a visible shift in customer preferences towards more branded developers, recognizing the importance of execution capability. Reforms over the last decade along with learnings from the past, for both developers as well as home buyers continue to foster a more rational and stable real estate market. As wages grow, home buyers will continue to become more discerning in their choices and will want better quality developments. Overall, the residential market across the top Indian cities is entering a phase of greater maturity, characterized by more measured growth, increased competition among branded developers, and a focus on timely execution, quality of construction and affordability for the home buyer.

(b) Opportunities

Because housing has been in a secular uptrend over the last 4 years, there are concerns of this being the peak of the cycle and demand softening going forward. Notwithstanding this, the reality remains India's dire need for quality housing and low home ownership capability levels. As wages continue to grow and home ownership capability emerges in more households, housing demand will keep unfolding. It is our belief that we are only in the early stages of a multi decade housing upcycle.

(c) Outlook

Structural demand drivers and industry dynamics will continue to generate significant housing demand in the foreseeable future. Housing remains a necessity and coupled with the availability of quality supply at affordable price points, we anticipate that this demand will translate into robust pre-sales in the years ahead.

India's growth trajectory remains robust, supported by ongoing policy reforms, a focus on manufacturing, supply chain diversification away from China, and a strong service sector, all of which continue to fuel job creation. Rising wages, positive consumer sentiment and the inherent security associated with homeownership are expected to sustain strong housing demand. Furthermore, anticipated interest rate reductions and government-led tax rebates will provide additional impetus to the affordable and mid-income housing segments.

The Company does not have any project and has no plan to take up any real estate project in near future.

d) Risks and concerns

The real estate sector is heavily dependent on manpower. There is a need for development of technologically less labour intensive alternative methods of construction. Further, the increase in land prices, inputs costs are risks to the industry. Higher interest cost would dent margins and may have a direct effect on the customer's cash flow as well. Increase in end product prices coupled with tight liquidity may impact demand. The various taxes and levies would add to the costs and this is likely to squeeze margins as end product prices may not go up correspondingly. The company has a Risk Management Policy, which is being periodically reviewed.

The Company does not have any project and has no plan to take up any real estate project in near future

(e) Internal control systems and their adequacy.

The internal control commensurate with the activities is supplemented by continuous review by the management. The internal control system is designed to ensure that every aspect of the company's activity is properly monitored.

(f) Discussion on financial performance with respect to operational performance.

The details of financial performance and operation performance are given in the directors' report.

(g) Material developments in Human Resources / Industrial Relations front, including number of people employed.

The Company does not have any employee. The KMPs are deputed by the holding company

(h) Details of Significant Changes in key financial ratios:

(i) Disclosure of Accounting Treatment:

In preparation of these financial statements, the Company has followed the prescribed Indian Accounting Standards and no different treatment had been followed

INDEPENDENT AUDITOR'S REPORT

To the Members of Sanathnagar Enterprises Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Sanathnagar Enterprises Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's report & Management Discussion and Analysis but does not include the financial statements and our auditor's report thereon. The Director's report & Management Discussion and Analysis is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Director's report & Management Discussion and Analysis, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities relating to other information'.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Financial Statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 20 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (1) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (2) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (3) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (1) and (2) above, contain any material mis-statement.
 - v. The Company has neither declared nor paid any dividend during the year.
 - vi. Based on our examination, which includes test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail of prior year has been preserved by the Company as per the statutory requirements for record retention.
3. In our opinion, according to information, explanations given to us, there is no remuneration paid by the Company to its directors and hence the provisions of Section 197 is not applicable to the Company.

Auditor's Responsibilities for the Audit of the Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended March 31, 2025 and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

- (d) According to the information and explanations provided to us, the group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has two Core Investment Companies ('CICs') (CICs exempt from registration) as a part of its group.
- xvii. Based on the overall review of financial statements, Company has not incurred cash losses during the immediately preceding financial year and during the current financial year.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, the provisions stated under clause 3(xviii) of the Order are not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (as disclosed in note 26 to the financial statements), ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. According to the information and explanations given to us and based on our verification, provisions of Section 135 of the Act, are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said Clause has been included in the report.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF SANATHNAGAR ENTERPRISES LIMITED

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Sanathnagar Enterprises Limited on the Financial Statements for the year ended March 31, 2025]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Sanathnagar Enterprises Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's and Board of Director's Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls With reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025

1 MATERIAL ACCOUNTING POLICIES

A Company's Background

Sanathnagar Enterprises Limited ("the Company") is a public limited company domiciled and incorporated in India under the Companies Act 1956 vide CIN - L99999MH1947PLC252768. The Company's registered office is located at 412 , Floor - 4, 17 G Vardhaman Chamber, Cawasji Patel Road, Horniman Circle, Fort, Mumbai - 400001. The Company is primarily engaged in the business of real estate development.

The Financial Statements are approved by the Company's Board of Directors at its meeting held on 17-April-2025

B Material Accounting Policies

I Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 and amendment if any.

The financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakhs except when otherwise indicated.

II Summary of Material Accounting Policies

1 Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- ii) Held primarily for the purpose of trading
- iii) Expected to be realised within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle
- ii) It is held primarily for the purpose of trading
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

The operating cycle of the Company's real estate operations varies from project to project depending on the size of the project, type of development, project complexities and related approvals. Accordingly, project related assets and liabilities are classified into current and non-current based on the operating cycle of the project. All other assets and liabilities have been classified into current and non-current based on a period of twelve months.

2 Property, Plant and Equipment

i. Recognition and measurement

All property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisitions of the items. Cost includes freight, duties, taxes, borrowing cost and incidental expenses related to the acquisition and installation of the asset.

ii. Subsequent costs

Subsequent expenditure, including cost of the items which can be reliably estimated, is capitalised only when it is probable that the future economic benefits of the expenditure will flow to the Company. All other repairs and maintenance are charged to the Ind AS Statement of Profit and Loss during the reporting period in which they are incurred.

iii. Derecognition

The carrying amount of an item of Property, Plant and Equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of Property, Plant and Equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

iv. Depreciation

Depreciation is calculated on a written down value basis over the estimated useful lives of the assets as specified in Schedule II of Companies Act, 2013 except for Site/Sales Offices and Sample Flats wherein the estimated useful lives is determined by the management.

| Sr. No. | Property, Plant and Equipment | Useful life (Years) |
|---------|--|---------------------|
| i) | Site/Sales Offices and Sample Flats | 8 |
| ii) | Plant and Equipment | 8 to 15 |
| iii) | Furniture and Fixtures | 10 |
| iv) | Office Equipment | 5 |
| v) | Computers | |
| | (a) Servers and networks | 6 |
| | (b) End user devices, such as, desktops, laptops, etc. | 3 |

Depreciation on addition to Property, Plant and Equipment is provided on pro-rata basis from the date of acquisition.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025

Depreciation on assets sold during the year is charged to the Statement of Profit and Loss up to the month preceding the month of sale.

Depreciation methods, useful lives and residual values are reviewed periodically at each financial year end and adjusted prospectively, as appropriate.

3 Inventories

Stock of Building Materials and Traded Goods is valued at lower of cost and net realizable value. Cost is generally ascertained on weighted average basis.

Completed unsold inventory is valued at lower of Cost and Net Realizable Value.

Cost for this purpose includes cost of land, shares with occupancy rights, Transferrable Development Rights, premium for development rights, borrowing costs, construction / development cost and other overheads incidental to the projects undertaken.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and the estimated cost necessary to make the sale.

4 Provisions and Contingencies

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure of contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

5 Impairment of Non-Financial Assets (excluding Inventories, Investment Properties and Deferred Tax Assets)

Non-financial assets are subject to impairment tests whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. Where the carrying value of an asset exceeds its recoverable amount (i.e. the higher of value in use and fair value less costs to sell), the asset is written down accordingly.

Where it is not possible to estimate the recoverable amount of an individual asset, the impairment test is carried out on the smallest Group of assets to which it belongs for which there are separately identifiable cash flows; its cash generating units ('CGUs').

6 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025

Financial Assets

Initial recognition and measurement

The Company classifies its financial assets in the following measurement categories.

- those to be measured subsequently at fair value (either through OCI, or through profit or loss)
- those measured at amortised cost

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- i) Debt instruments at amortised cost
- ii) Debt instruments at fair value through other comprehensive income (FVTOCI)
- iii) Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- iv) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment if any, are recognised in the Statement of Profit and Loss.

Debt instruments at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent solely payments of principal and interest.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company does not have any debt instruments which meets the criteria for measuring the debt instrument at FVTOCI.

Debt instrument at FVTPL

Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'Accounting Mismatch'). The Company has not designated any debt instrument at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes in Fair value recognized in the Statement of Profit and Loss.

Equity investments

All equity investments, except investments in fellow subsidiaries and associates are measured at FVTPL.

The Company may make an irrevocable election on initial recognition to present in OCI any subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis.

All Equity Investments in subsidiaries, associates and joint ventures are measured at cost.

Derecognition of Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when:

- i) The rights to receive cash flows from the asset have expired, or
- ii) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of Financial Assets

The Company assess on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVTOCI debts instruments. The impairment methodology applied depends on whether there has been significant increase in credit risk. For trade receivables, the Company is not exposed to any credit risk as the possession of residential and commercial units is handed over to the buyer only after all the installments are recovered.

For financial assets carried at amortised cost, the carrying amount is reduced and the amount of the loss is recognised in the statement of profit and loss. Interest income on such financial assets continues to be accrued on the reduced carrying amount and is accrued using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss. The interest income is recorded as part of finance income. Financial asset together with the associated allowance are written off when there is no realistic prospect of future recovery and all collateral

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025

has been realised or has been transferred to the Company. If, in a subsequent year, the amount of the estimated impairment loss increases or decreases because of an event occurring after the impairment was recognised, the previously recognised impairment loss is increased or decreased. If a write-off is later recovered, the recovery is credited to finance costs.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings, or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of financial liability not recorded at FVTPL, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities measured at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to Statement of Profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through Statement of Profit and Loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition of Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025

Reclassification of Financial Assets and Financial Liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Ind AS Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

7 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i) In the principal market for the asset or liability, or-
- ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

8 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

9 Revenue Recognition

The Company has applied five step model as set out in Ind AS 115 to recognise revenue in the Financial Statements. The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- a. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- b. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- c. The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time and over a period of time based on the conditions in the contracts with customers.

The specific revenue recognition criteria are described below:

(I) Income from Property Development

The Company has determined that the existing terms of the contract with customers does not meet the criteria to recognise revenue over a period of time. Revenue is recognized at point in time with respect to contracts for sale of residential units as and when the control is passed on to the customers which is linked to the application and receipt of occupancy certificate.

The Company provides rebates to the customers. Rebates are adjusted against customer dues and the revenue to be recognized. To estimate the variable consideration for the expected future rebates the company uses the "most-likely amount" method or "expected value method".

(II) Contract Balances

Contract Assets

The Company is entitled to invoice customers for construction of residential and commercial properties based on achieving a series of construction-linked milestones. A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the company performs by transferring goods or services to a customer before the payment is due, a contract asset is recognized for the earned consideration that is conditional. Any receivable which represents the Company's right to the consideration that is unconditional is treated as a trade receivable.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025
Contract Liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company performs under the contract.

10 Current Income Tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable profit for the period. The tax rates and tax laws used to compute the amount are those that are enacted by the reporting date and applicable for the period.

Deferred Tax

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for all deductible and taxable temporary differences arising between the tax bases of assets and liabilities and their carrying amount in financial statements, except when the deferred tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of transaction.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date.

Deferred tax asset in respect of carry forward of unused tax credits and unused tax losses are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

The Company recognizes deferred tax liabilities for all taxable temporary differences except those associated with the investments in subsidiaries where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal tax during the specified period.

Presentation of Current and Deferred Tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in OCI, in which case, the current and deferred tax income/ expense are recognized in OCI. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025**11 Borrowing Costs**

Borrowing costs that are directly attributable to long term project development activities are inventorised / capitalized as part of project cost.

All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

12 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable equity share holders to by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable equity share holders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

19 Significant Accounting Judgements, Estimates and Assumptions

Judgements, Estimates and Assumptions

The Company makes certain judgement, estimates and assumptions regarding the future. Actual experience may differ from these judgements, estimates and assumptions. The estimates and assumptions that have significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

(i) Useful Life of Property, Plant and Equipments

The Company determines the estimated useful life of its Property, Plant and Equipments for calculating depreciation. The estimate is determined after considering the expected usage of the assets or physical wear and tear. The Company periodically reviews the estimated useful life and the depreciation method to ensure that the method and period of depreciation are consistent with the expected pattern of economic benefits from these assets.

(ii) Income Taxes

Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

(iii) Fair Value Measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

(iv) Valuation of Inventories

The determination of net realisable value of inventory includes estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling cost.

22 Segment information

For management purposes, the Company has only one reportable segment namely, Development of real estate property. The Board of Directors of the Company acts as the Chief Operating Decision Maker ("CODM"). The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators.

23 Financial Instrument measurement and Risk Management

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

(II) Financial risk management objectives and policies

The Company's principal financial liabilities comprise mainly of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans and advances, trade and other receivables, cash and cash equivalents and Other balances with Bank.

The Company is exposed through its operations to the following financial risks:

- Market risk
- Credit risk, and
- Liquidity risk.

The Company has evolved a risk mitigation framework to identify, assess and mitigate financial risk in order to minimize potential adverse effects on the company's financial performance. There have been no substantive changes in the company's exposure to financial instrument risks, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated herein."

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2025**(a) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk includes borrowings, investments, trade payables, trade receivables, loans and derivative financial instruments. The Company is not exposed to currency risks.

(b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the Company's customer base, including the default risk of the industry and country, in which customers operate, has less influence on the credit risk.

(c) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company has an established liquidity risk management framework for managing its short term, medium term and long term funding and liquidity management requirements. The Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Company manages the liquidity risk by maintaining adequate funds in cash and cash equivalents. The Company ensures that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.
